7 - Machines, looms and industrial robots for working and shaping wood, metal, glass and plastic material and metals (including galvanizing machines and electroplating machines). Heavy machinery, robotic mechanisms with the same function. Lifting, conveying and transportation machines, robotic mechanisms with the same function (including lifts, escalators, cranes). Machines and robotic mechanisms used in the agriculture and viticulture and in processing cereals / fruits / vegetables / food. Engines, electrical engines, their parts and equipment other than for land vehicles (including parts, electric door openers-closers used in land vehicles and included in this class). Bearings, ball-bearings or roller bearings. Tire mounting and dismounting machines. Alternators, generators, generators of electricity, generators working with solar energy. Painting machines, automatic spray guns for paint, electric punching machines and punches for punching machines, electric glue guns, guns for compressed air or liquid spraying machines, electric hand drills, motor hand saw, jigsaw machines, spiral machines, compressed air pumps, compressors, vehicle washing installations, and robots with the same function as the above-mentioned machines and tools. Welding machines, electric arc welding apparatus, electric welding apparatus, electric arc cutting apparatus, electrodes for welding machines and robots with the same function as the above-mentioned. Printing machines. Packaging machines, filling-plugging and finishing machines, labeling machines, separators and robots and robotic mechanisms with the same function as the above-mentioned machines (including electrical apparatus for sealing plastics [packaging]). Textile milling, scotching, tentering or washing machines, sewing machines and industrial robots with the same function as the above-mentioned machines. Pumps other than parts of machines or engines (including fuel dispensing pumps and guns for these). Electrical appliances used in kitchen for chopping, grinding, crushing, whisking and milling; washing machines (laundry / dishwashing machines); electrical machines for cleaning floors and carpets, vacuum cleaners and their parts. Vending machines. Power supply apparatus [generators]. Laundry dryers, namely machines not drying with heating method.

8 - Forks, spoons, knives and non-electric cutlery for cutting, chopping, peeling purposes, including those of precious metals. Cutting and jabbing/stabbing arms. Tools and appliances included in this class used for personal care in shaving, depilation, manicure, pedicure and beauty-care (including hair straighteners and hair curling implements, scissors). Hand-operated tools for repair of machines, appliances and vehicles, hand-operated tools for building, agriculture, gardening and forestry. Electric and non-electric irons.

9 - Measuring apparatus and instruments, indicators and laboratory materials including those for scientific research in laboratories other than for medical use. Apparatus for recording, transmission or reproduction of sound or images (including apparatus and peripheral devices for data processing, telecommunication and reproduction). Magnetic and optical data carriers and software recorded in these; downloadable electronic publications, recorded to magnetic and optical media; magnetic/optical cards. Antennas, satellite dishes, amplifiers and their parts. Ticket dispensers, automated teller machines. Electronic components used in machines and apparatus. Counters measuring amount of consumption in unit time and time clocks. Protective suits and life saving apparatus and equipment (including ear plugs for divers). Glasses, sunglasses, contact lenses and their boxes, covers, parts and accessories. Apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity (including cables used for electric and electronic purposes, batteries, accumulators, anodes and cathodes). Apparatus for warning and alarms [other than for vehicles], electric bells. Signaling devices and apparatus used in traffic. Fire extinguishing apparatus including fire engines (including fire hoses and fire hose nozzles). Radar apparatus, sonars, apparatus and devices providing night vision. Magnets, decorative magnets.

11 - Lighting apparatus and installations (lighting installations for vehicles, interior and exterior spaces). Devices for cooking, heating and vapor producing installations and apparatus (including electric ovens, microwave ovens, gas ovens, electric heating apparatus or heating apparatus for solid, liquid or gaseous fuels, electric tea and coffee makers and machines). Air conditioning devices. Cooling apparatus, namely refrigerators, milk coolers, water coolers, ice-boxes, ice machines and devices, freezers. Electric and gas operated apparatus,
machines and devices used in cooling, drying and boiling (including electric and heating-operated laundry dryers, hair dryers and hand drying apparatus). Sanitary installations, sanitary ware. Water softening apparatus, water purifying apparatus, water purification installations, waste management installations. Bedwarmers and electric blankets not for medical purposes, heating cushions and pads not for medical purposes, electric or non-electric footwarmers, hot water bottles. Filters and filter-motor combinations for aquariums. Industrial type cooking, drying and cooling installations. Pasteurizers and sterilizers. Laundry dryers.

20 - Furniture regardless of their material and components (including clothes hangers, stands or hooks). Mattresses, pillows, air mattresses and pillows not for medical purposes, sleeping bags for camping, inflatable pool air mattress. Mirrors. Beehives, artificial honeycombs and sections of wood for beehives. Bouncing chair for babies, playpens, cradles, infant walkers. Signboards of wood and plastics, picture frames, identity plates, identification bracelets, nameplates. Barrels, tanks, boxes, demijohns, cases of wood or plastics for packaging, transportation or storing, packaging containers, containers for transportation not of metal, transport pallets not of metal, and covers, closures for the above-mentioned. Fittings of wood or plastics, furniture fittings not of metal, mechanisms for opening and closing purposes not of metal. Ornaments and items for decoration of wood, wax, plastic or plaster. Baskets, fishing baskets. Kennels, nesting boxes and beds for household pets. Steps, ladders of wood or plastics. Bamboo curtains, blinds, shades, bead curtains for decoration, curtain holders, curtain rings, curtain hooks, curtain rods.

21 - Non-electric cleaning instruments (including brushes except paint brushes, steel wool, sponges, cotton waste, cleaning tow, rags for cleaning textiles, dishwashing gloves, non-electric polishing machines, carpet sweepers, mops, electric brushes except parts of machines). Toothbrushes, electric toothbrushes, floss for dental purposes, shaving brushes, brushes for the hair, combs for the hair (including electric and non-electric makeup removing appliances). Non-electric household and kitchen utensils, clothes-pegs, clothes-pins, cooking pots, vases included in this class (including those of precious metals). Ironing boards and covers, drying racks for washing, clothes hangers for drying. Cages and materials for domestic pets, indoor terrariums (plant cultivation, vivarium). Ornaments and items for decoration of glass, porcelain, ceramic and earthenware. Rat traps, insect traps, fly catchers, fly swatters, lids for squatting pans (electric devices for attracting and killing insects) Perfume burners (burners that emit odor when burned), perfume sprayers and perfume vaporizers, powder puffs, boxes for toilet articles. Nozzles for sprinkler hose, nozzles for watering cans, watering devices, watering cans, roses for watering cans. Unworked glass, semi-worked glass, mosaics of glass and powdered glass for decoration (not for building), glass wool (other than for isolation and textile). Cups given in sports competitions.

28 - Games and playthings (including floats for bathing or swimming) Parlor games; game apparatus, machines and devices (including coin-operated) adapted for use with an external display screen or monitor. Toys for domestic pets. Toys for playgrounds, parks and playpens. Gymnastic and sporting articles. Artificial Christmas trees and ornaments for these, artificial snow, rattles, ornaments for entertainment (party, discotheque), party hats.

35 - Services relating to advertising, marketing and public relations (including organization services of trade fairs for commercial or advertising purposes). Office services. Services relating to business administration, management and related consultancy, accounting, public accountant services (including import-export agencies). Expertise services for commercial and industrial goods. Services relating to organization and realization of auctions. Services relating to the bringing together of a variety of goods, namely machines, looms and industrial robots for working and shaping wood, metal, glass and plastic material and metals (including galvanizing machines and electroplating machines), heavy machinery, robotic mechanisms with the same function, lifting, conveying and transportation machines, robotic mechanisms with the same function (including lifts, escalators, cranes), machines and robotic mechanisms used in the agriculture and viticulture and in processing cereals / fruits / vegetables / food, engines, electrical engines, their parts and equipments other than for land vehicles (including parts, electric door openers-closers used in land vehicles and included in this class), bearings, ball-bearings or roller bearings, tire mounting and dismounting machines, alternators, generators, generators of electricity, generators working with solar energy, painting machines, automatic spray guns for paint, electric punching machines and punches for punching machines, electric glue guns, guns for compressed air or liquid spraying machines, electric hand drills, motor hand saw, jigsaw machines, spiral machines, compressed air pumps, compressors, vehicle washing installations, and robots with the same function as the above-mentioned machines and tools, welding machines, electric arc welding apparatus, electric welding apparatus, electric arc cutting apparatus, electrodes for welding machines and robots with the same function as the above-mentioned, printing machines, packaging machines, filling-plugging and finishing machines, labeling machines, separators and robots and robotic mechanisms with the same function as the above-mentioned machines (including

7 - Machine tools; motors and engines (except for land vehicles); machine coupling and transmission components (except for land vehicles); machine motors; vibration motors; spring motors; hydraulic motors; brake motors; linear motors; outboard motors; mud motors; elevator motors; electric motors; winch motors; starter motors; marine motors; boat motors; airplane motors; direct current motors; electric starter motors; planetary gear motors; alternating current motors; regulators for motors; milling grinding motors; compressed air motors; motors for boats; pistons for vehicle engines; engines for model vehicles; gas engines; jet engines; aeronautical engines; steam engines; marine engines; gas turbine engines; fans for engines; belts for engines; valves for engines; starters for engines; pistons for engines; compressed air engines; engines for ships; spark plugs for engines; pumps for cooling engines; air ducting for jet engines; engines for the generation of electricity; glow plugs for diesel engines; fan belts for vehicle engines; turbo-superchargers for land vehicle engines; fuel systems for internal combustion engines; vacuum accumulators for internal combustion engines; pulleys; crank pulleys; drive pulleys; belt pulleys; window
bolts of metal, screw bolts of metal, lock bolts of metal, u-bolts of metal, door bolts of metal, fixing bolts of metal, window casing bolts of metal, bolts, metal dead bolts, window casement bolts, metal eye bolts, metal door bolts, self-tapping metal bolts, expansion bolts of metals, anchor nuts of metal, screw-in insert nuts of metal, bolts, pinch bolts, subframe bolts, shank bolts (long), shank bolts (short), bolts, flat, eye bolts, lock safes, ores, nuts, nuts of metal, threaded nuts of metal, screw nuts of metal, wing nuts of metal, pipe nuts of metal, lock nuts of metal, screw-in for railway tracks, non-electric cables and wires of common metal, ironmongery, small items of metal hardware, pipes and tubes of metal, services in relation to the sale of common metals and their alloys, metal building materials, transportable buildings of metal, materials of metal vehicles; apparatus for locomotion by land, air or water.

9 - Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; compact discs, DVDs and other digital recording media; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment, computers; computer software; fire-extinguishing apparatus; temperature controllers apparatus for use in vehicle engines; temperature regulators for vehicle engines; sensors for engines; starter cables for motors; electronic components; vehicle fuses; vehicle radios; vehicle batteries; warning lamps for vehicles; automatic indicators of low pressure in vehicle; simulators for the steering and control of vehicles; sirens for vehicles; speedometers for vehicles; direction indicators for vehicles; electric accumulators for vehicles; warning lamps for vehicles; vehicles breakdown warning lamps; speed indicators for vehicles; batteries for electric vehicles; accumulators, electric, for vehicles; mileage recorders for vehicles; kilometre recorders for vehicles; voltage regulators for vehicles; cruise controls for motor vehicles; speed measuring apparatus for vehicles; steering apparatus, automatic, for vehicles; tire balancing units for land vehicles; electric batteries for powering electric vehicles; simulators for driving or control of vehicles; fluid level measuring apparatus for use in motor vehicles; power sources connected to audio apparatus for use in motor vehicles; bleepers for vehicles to give audible warning whilst the vehicle is reversing; warning loud speaker apparatus for mounting on the roof of emergency services vehicles; electric plugs.

11 - Apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; bulbs; electric bulbs; light bulbs; lamp bulbs; flashlight bulbs; headlamp bulbs; capless bulbs; fog bulb; tail lamp bulbs; halogen light bulbs; amber stop & flash bulbs; stop & flasher bulbs; festoon bulbs; led light bulbs; direction indicator bulbs; electrical glass bulbs; electrical light bulbs; electric lamp bulbs; incandescent light bulbs; fluorescent electric light bulbs; fixtures for incandescent light bulbs; light bulbs for gas-discharge lamps; light bulbs for directional signals for vehicles; miniature light bulbs; dashboard lamp bulbs; light bulbs for incandescent lamps; air conditioning installations for cars.

12 - Vehicles; brakes; components for brakes for vehicles; brakes for cars; brake discs; wheel brakes; block brakes for land vehicles; compensating cylinders for vehicle brakes; band brakes for land vehicles; linings for brakes of vehicles; block brakes for land vehicles; hydraulic disc brakes; vehicle disc brakes; hydraulic rim brakes; disc brakes; bicycle brakes; steering; steering brakes; steering wheels; steering wheel covers; steering wheel locks; steering linkages for vehicles; steering racks for vehicles; steering columns for vehicles; steering stands for marine vessels; reinforced steering columns for vehicles; electric steering gears [for vessels]; covers for vehicle steering wheels; fitted covers for vehicle steering wheels; anti-theft locks for use on automobile steering wheels; ships' steering gear; ships' steering gears; wipers; windscreen wipers; headlight wipers; automobile windshield wipers; arms for windscreen wipers; wiper blade refills for vehicle windscreen wipers; suspensions; wheel suspensions; vehicle suspension springs; suspension struts for vehicles; suspension shock absorber for vehicles; coil springs; coil springs for vehicle suspensions; suspension springs; springs for vehicle suspension units; shock absorbing springs for vehicles; leaf springs; axles for leaf spring suspensions in vehicles; axles for leaf spring suspension systems in vehicles; air springs for vehicle suspension components for cushioning driver's seats and cabs; wheel bearings; discs for clutch thrust bearings of land vehicles; apparatus for locomotion by land, air or water.

35 - Advertising; advertising in relation to car parts; business management; business administration; office functions; retail and online retail services in relation to the sale of common metals and their alloys, metal building materials, transportable buildings of metal, materials of metal for railway tracks, non-electric cables and wires of common metal, ironmongery, small items of metal hardware, pipes and tubes of metal, safes, ores, nuts, nuts of metal, threaded nuts of metal, screw nuts of metal, wing nuts of metal, pipe nuts of metal, lock nuts of metal, screw-in nuts of metal, screw-in insert nuts of metal, bolts, pinch bolts, subframe bolts, shank bolts (long), shank bolts (short), bolts, flat, eye bolts, lock bolts, metal dead bolts, window casement bolts, metal eye bolts, metal door bolts, self-tapping metal bolts, expansion bolts of metals, anchor bolts of metal, screw bolts of metal, lock bolts of metal, u-bolts of metal, door bolts of metal, fixing bolts of metal, window casing bolts of metal,
metal bolts for locking doors, window casement bolts of metal, cremone bolts of metal for windows, fastners, machine tools, motors and engines (except for land vehicles), machine coupling and transmission components (except for land vehicles), machine motors, vibration motors, spring motors, hydraulic motors, brake motors, linear motors, outboard motors, mud motors, elevator motors, electric motors, winch motors, starter motors, marine motors, boat motors, airplane motors, direct current motors, electric starter motors, planetary gear motors, alternating current motors, regulators for motors, milling grinding motors, compressed air motors, motors for boats, pistons for vehicle engines, engines for model vehicles, gas engines, jet engines, aeronautical engines, steam engines, marine engines, gas turbine engines, fans for engines, belts for engines, valves for engines, starters for engines, pistons for engines, compressed air engines, engines for ships, spark plugs for engines, pumps for cooling engines, air ducting for jet engines, engines for the generation of electricity, glow plugs for diesel engines, fan belts for vehicle engines, turbo-superchargers for land vehicle engines, fuel systems for internal combustion engines, vacuum accumulators for internal combustion engines, pulleys, crank pulleys, drive pulleys, belt pulleys, window pulleys, dynamo pulleys for vehicles, drive pulleys for power transmission belts of agricultural machines, drive pulleys for power transmission belts of industrial machines, pulleys being parts of machines, metal pulleys being parts of machines, timing belt pulleys [parts of engines], pulleys incorporating bearings [parts of machines], bands (adhesive -) for pulleys plugs, electric plugs, metal plugs, sparking plugs, spark plugs, spark plugs for engines, diesel-engine heating plugs, glow plugs for diesel engine, spark plugs for land vehicle engines, sparking plugs not for land vehicles, sparking plugs for internal combustion engines, oil tank plugs and caps, agricultural implements other than hand-operated, incubators for eggs, automatic vending machines, scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, apparatus for recording, transmission or reproduction of sound or images, magnetic data carriers, recording discs, compact discs, DVDs and other digital recording media, mechanisms for coin-operated apparatus, cash registers, calculating machines, data processing equipment, computers, computer software, fire-extinguishing apparatus, temperature controllers apparatus for use in vehicle engines, temperature regulators for vehicle engines, sensors for engines, starter cables for motors, electronic components, vehicle fuses, vehicle radios, vehicle batteries, warning lamps for vehicles, automatic indicators of low pressure in vehicle, simulators for the steering and control of vehicles, sirens for vehicles, speedometers for vehicles, direction indicators for vehicles, electric accumulators for vehicles, warning lamps for vehicles, vehicles breakdown warning lamps, speed indicators for vehicles, batteries
